

## Semiconductor and Electronics

# Your partner of choice for complete solutions in the semiconductor industry

### Printed Circuit Board & Surface Mounting Technology Assembly (PCB / SMT Assembly)

Partner	Solution	Partner	Solution
 Global Solder Solutions	Soldering Material – Bar Solder, Liquid and Paste Flux, Solder Paste and Wire	 NorCom SYSTEMS INC	Fine & Gross Leak Test System
 COOL CLEAN TECHNOLOGIES	CO2 Cleaning technology	 Nordson	Hot Melt Dispensing / Masking System
 ECD SINCE 1989	Reflow Monitoring & Dry Storage	 Nordson EFD	Precision Fluid Dispensing System
 ET20 UV INSTRUMENTS	Radiometer Product – UV measurement	 NUTEK	Handling equipment
 essemtec A NANODIMENSION DIVISION	SMT Pick & Place, Dispensing	 pbt works	Cleaning Systems – Stencil, PCB, Maintenance Cleaner
 GETECH "Performance, Value, Integrity"	Router (Depanel)	 SMT THERMAL DISCOVERIES	Reflow Oven
 JCS Your Cleaning Solution Partner	Cleaning System (Cassette, Packaging, Ultrasonic Washing)	 TECH-SONIC ULTRASONIC METAL WELDING	Ultrasonic Metal Welding
 Kissel+Wolf	Cleaning Agent (SMT Cleaning agent, Stencil and Maintenance cleaning)	 VJ ELECTRONIX Process Control Solutions	Component Rework and X-Ray System
 MIDAS TECHNOLOGY, INC for microelectronic rework since 1986	Microelectronic Reworks System	 VISCOM vision technology	Automatic Optical Inspection & X-Ray

## Back-end IC Packaging

Partner	Solution
	Dicing Machine & Dicing Peripheral
	Vacuum soldering system
	Deflash Treatment
	Laser System
	Plasma Surface Cleaning
	Solder Paste Inspection (SPI), Automated Optical Inspection (AOI)
	Heating Elements
	Atmospheric Surface Cleaning
	Contact Angle Analyzer
	Metrology System Surface Measurement

## Front-end Wafer Packaging

Partner	Solution
	Anti-static materials & water transportation packaging
	Airborne & Liquid Particle counters
	Atomic Layer Deposition
	Semiconductor and Vacuum Lithium Battery Equipment, Precision Components

## General Industry

Partner	Solution
	Reel Tower Storage
	Welding System
	UV Curing System & IR Lamps
	Automatic Storage Retrieval System
