

# Market Expansion Services

The underlying goal of any business is to drive growth. This is DKSH's sole aim: providing companies with access and expertise to grow in and with Asia. We call this Market Expansion Services.

## Our Market Expansion Services are:

### Comprehensive

Choose from a complete range of specialized services along the value chain – from sourcing, market insights, marketing and sales to distribution and logistics and after-sales services.

### Customized

Our services are precisely tailored to meet your exact needs.

### Integrated

Our intelligently integrated and tailor-made services deliver seamless end-to-end solutions – no matter how large or small your requirements.

### Our Service Philosophy

Our business is about more than simply the exchange and promotion of goods, but rather taking on a profound responsibility for your products and brands. Our specialists proactively provide strategic advice based on their experience, know-how, and networks, gathering data from our hundreds of thousands of customers and translating it into highly detailed and up-to-date market information. With us, your business is in good hands.

Our industry expertise is reflected in our four highly specialized Business Units: Consumer Goods, Healthcare, Performance Materials, and Technology.
